Swim & S.T.E.A.M.

Girls, grades K-4

Girls will swim, learn and engage in wellness activities each day at Swim & S.T.E.A.M! Led by experienced swim instructors, girls will swim for 70 minutes each day with a focus on skill instruction in our 6-lane, 25-yard pool. S.T.E.A.M. concepts (science, technology, engineering, art and math) are brought to life through interactive classroom sessions led by experienced Sacred Heart teachers. Yoga, dance, martial arts and sports activities round out the day and are all held in our state-of-the-art, climate controlled dance and movement studios and expansive gymnasium. This program is a great way for kids to improve their swim skills, learn new wellness activities and have fun with S.T.E.A.M. concepts, all while developing new friendships!
